Mahsum Aktaş

Senior Operations Manager (Bus Operations)

mahsum@mahsumaktas.com · mahsumaktas.com · LinkedIn

Operations leader who builds. I run B2B operations for 400+ bus companies at obilet (BlaBlaCar Group) and build the AI tools my team uses every day.

Operations leadership

obilet (BlaBlaCar Group)

Joined obilet in 2016 as employee #15 and grew the bus operations team from one person to eight.

I joined obilet in February 2016. Since August 2024, I have been Senior Operations Manager (Bus Operations).

My work spans 400+ bus-company partners across Türkiye and the Balkans, and 12 provider integrations.

Projects

Internal operations tools · Production
AI tools the operations team uses every day.

Jazari · Open model
Turkish adaptation of Qwen3.5-4B

Qragy · Open source
AI support grounded in a knowledge base.

Treliq · Open source
Prioritize and deduplicate pull requests and issues.

GİB MCP · Open source
Search Turkish tax rulings and legislation through MCP.

Open-source contributions

Claude Code UI: Turkish interface translations and documentation.

Inbox Zero: Docker setup with optional environment files.

gogcli: Correct plain-text output for Sheets metadata.

ClawHub: Structured metadata for skill manifests.
